

SN 10/769,829
Case 04-200

REMARKS

The above-identified U.S. Patent and Trademark Office action allows claims 21, 24, 26 and 27 and rejects claims 22, 23, 25 and 28 – 34.

The instant amendment responds to the helpful suggestions of the Examiner and is believed to place the case in condition for allowance.

Thus, the claims now clearly relate the sidewall section to the previous claims and clarify the language.

Favorable reconsideration is courteously solicited.

The Examiner is urged to telephone the undersigned if any questions remain.

Respectfully submitted,

By 
Robert H. Bachman
